## Additional Information

**Solihull Business Club** - The key words here are **Business Club** – the club is very much a chance to meet, have a chat and learn.

The aim of each monthly meeting, which is always the 2nd Tuesday in the month except August - when there is no meeting, is that as you leave, you will feel that you are a little wiser than when you arrived, and maybe that you have made a useful contact or two. Also that you are not alone, and that issues facing you and your company may well be similar to the challenges facing others.

Our members are drawn not just from Solihull but also from many of the surrounding areas.

**Team Factor** - Rhys Jones is an accomplished practitioner providing services through his company, Team Factor.

Rhys specialises in increasing the effectiveness of teams by facilitating structured workshops that not only build team spirit but also produce early essential deliverables. Ideally he works with the team during project initiation, however later engagement can also be beneficial when an existing team is not performing effectively. Where appropriate Rhys will also analyse gaps in skills and knowledge; and organise follow up progress reviews, training or individual coaching.
